

## FEEDBACK OF THE PARTICIPANTS

- The heterogeneity of the topics covered in the course was highly appreciated by one and all.
- Practical demonstration & visit to a few laboratories of the university acquainted them with the state-of-the-art scientific equipments.
- The participants were extremely pleased with the logistical & other amenities provided by the HRDC.
- They felt themselves greatly enriched by the knowledge imparted.
- Optimum use of ICT in the classroom was also appreciated.
- They felt themselves motivated to disseminate the message of preserving the healthy environment.
- The participants got a rare opportunity to interact face to face with a few renowned Resource Persons.
- Live performance of a few eminent singers, musicians enthralled them.
- The practical demonstration by various agencies like NDRF, Ambulance 108 and others left an indelible imprint on them during the Refresher Course in Disaster Management (ID) & Environmental Studies (ID).
- Cross cultural interaction amongst the participants, expressed deep pleasure over the successful completion of the course.
