The UGC Human Resource Development Centre (previously known as Academic Staff College), Guru Nanak Dev University, Amritsar was established in 1987 following introduction of the scheme by the University Grants Commission in 1987. Since its inception, it has been attracting teachers from all over India, rather than from a specific region and has become a platform where the Guru Nanak Dev University's academic community shares its knowledge, insights and ideas with the larger academic community of the country on a reciprocal basis.

The HRDC, G.N.D.U. Amritsar has achieved high standards of excellence in its working, based on team work of a small, committed, dedicated and competent group of teaching and non-teaching staff. The efforts made by the HRDC to equip teachers with excellent academic standards and pedagogical tools are academically and socially relevant. In this globalized era efforts are being made to keep pace with the constant flow of information to update the knowledge base and outlook of the teachers at regular intervals.
