National Workshop on Scale Development, Refinement & Construction of Casual Models - An Application of SEM using Variance and Co-Variance Techniques
(4.11.2019 to 10.11.2019)

IMPORTANT NOTICE

It is in reference to the conduct of One-Week National Workshop on Scale Development, Refinement & Construction of Casual Models-An Application of SEM using Variance and Co-Variance Techniques [under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT), MHRD, Govt. of India on November 4-10, 2019. Due to receipt of excessive number of application forms, this course will be conducted in **two batches**. As per the University criteria, the following candidates are selected in the First Batch only. The remaining candidates will be invited for the Second Batch, for which the dates will be notified shortly on the website.

Special Note: All the selected candidates must bring their **own Laptops** with them during the Workshop. The faculty members and research scholars who do not deal with data collection and data analysis are advised not to participate in the workshop. The working knowledge of computer, SPSS and excel etc. is prerequisite for this workshop.
